Services

Choosing INTERIORCREW means partnering with a team that blends creativity, craftsmanship, and compliance to deliver interiors that inspire and perform.

01

Interior Designing

We create timeless interiors that balance beauty and function, designing bespoke spaces that reflect your unique style and vision.

Residential Fitout

Our team crafts elegant and functional homes, delivering comfort and style from concept to completion.

02

03

Commercial Fitout

We transform workplaces with seamless design and execution, creating inspiring spaces that boost productivity and reflect your brand.

Flipping Services

We maximize property value through smart renovations and stylish finishes, turning outdated spaces into market-ready assets.

04

05

Authority Approvals

Our experts handle DCD, DEWA, and municipality etc approvals with ease, ensuring your projects move forward without delays.

Projects

At The Interior Crew, every project begins with people in mind — creating spaces that are functional, inspiring, and tailored to lifestyle needs. Our upcoming work includes salons that elevate client experiences, clinics designed for comfort and care, modern apartments, bespoke villas, and productive office environments — all crafted to enhance the way people live & work.

Cafe interior and fit-out Design

Location: Business Bay **Completion Date:** Feb 2024

This café interior design embraces a warm and inviting theme, where modern aesthetics meet cozy charm to create the perfect spot for families and individuals alike. Every detail is thoughtfully designed to balance comfort, functionality, and style, ensuring guests enjoy both relaxation and connection.

- **Family-friendly seating & side spaces** – Designed for gatherings and shared moments.
- **Private café cabins** – Offering aesthetic interiors with comfort and elegance.
- **Stylish tables & chic stools** – Blending modern design with everyday usability.
- **Ambient lighting & natural tones** – Setting a welcoming and relaxing atmosphere.

- **Warm lighting & mirrors** – Brighten the space and highlight beauty services.
- **Seamless fit-out solutions** – From furniture to finishes, tailored to perfection.
- **Luxury retreat for clients** – A balance of serenity, elegance, and modern design.

The café is designed as a place of warmth and connection, where comfort meets modern elegance. Every element, from seating to lighting, encourages guests to relax and enjoy their time. It's more than a café — it's a destination for memorable experiences.

We are so impressed with how thoughtfully the café was designed. From the seating to the lighting, every detail enhances the experience for our customers and keeps them coming back.

Client Review

Modren Stone Bedroom Interior

Location: Bur,Dubai

Completion Date: Oct 2023

This bedroom interior design embraces a rich brown theme, where earthy tones and stone-inspired textures create a warm and aesthetic vibe. Every detail is carefully designed to fulfill the client's requirements, blending modern elegance with timeless comfort. The result is a cozy yet sophisticated retreat that reflects both style and functionality.

- **Brown tones & stone accents** – Bringing depth, warmth, and natural elegance.
- **Modern sofa seating with TV unit** – Adding comfort and functionality to the bedroom.
- **Aesthetic bedside tables & lamps** – Enhancing ambiance with soft, warm lighting.
- **Wall designs with subtle textures** – Creating a refined and stylish backdrop.

- **Soft materials & cozy finishes** – Providing comfort and a welcoming touch.
- **Smooth lighting design** – Creating a serene atmosphere with gentle illumination.
- **Elegant layout & flow** – Ensuring functionality while preserving aesthetic harmony.
- **Comfortable seating & spa zones** – Designed to pamper clients at every step.

This project reflects a perfect balance of warmth, texture, and elegance — creating a bedroom that is timeless, inviting, and uniquely personal. With its rich tones and refined stone details, the space offers both comfort and sophistication

The design exceeded our expectations the stone work adds a striking touch while the dark brown interiors create a relaxing and modern atmosphere. It's stylish, and truly feels like home.

Client Review

List of Recent & Ongoing Projects

Circle K Mini Store L.L.C

Location: Ibn Battuta Mall, Sheikh Zayed Road, Jabel Ali, Dubai, UAE.

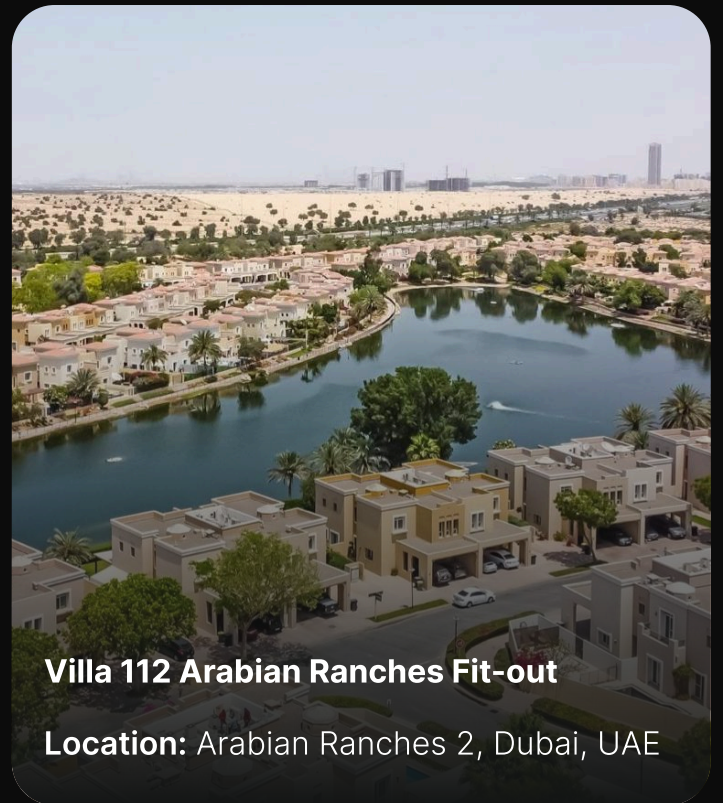

Apartment 807 Fit-out Work

Location: Creek Harbour, Tower 1, Dubai, UAE

Sulafa Tower Apartment 2902

Location: Sulafa Tower, Dubai Marina, UAE

Villa 112 Arabian Ranches Fit-out

Location: Arabian Ranches 2, Dubai, UAE

Scope of Works

Interiorcrew Technical Services L.L.C. provides comprehensive fit-out, renovation, and maintenance services across residential, commercial, and retail sectors. All works are executed in accordance with UAE building codes, mall management protocols, and international standards for safety, quality, and design integrity.

The following services are subject to our execution, inspection, and review:

- i. Execution of flooring works including SPC installation over existing surfaces, wood flooring, and tiling, ensuring non-invasive methods where applicable.
- ii. Interior wall and ceiling refinishing including crack repairs, repainting, and gypsum ceiling installation, with surface preparation using approved materials.
- iii. Plumbing and sanitary modifications including line rerouting, waterproofing, and fixture installation in compliance with approved layouts and standards.
- iv. Electrical works including lighting fixture installation, DB relocation, and wireless control systems, executed in accordance with safety protocols and manufacturer guidelines.
- v. Mobilization and protection of common areas in retail environments, including execution of height and hot works with full safety compliance and coordination with mall management.
- vi. Furniture removal, site preparation, and cleaning services to ensure smooth progress and minimal disruption to existing infrastructure.
- vii. Project-specific modifications including partition removal, door relocations, and construction of new wet areas, executed with full documentation and photographic records.
- viii. Coordination with project consultants and stakeholders to organize documentation, inspections, and approvals from relevant authorities including AHJ and DCD where applicable.

Client Testimonials

From concept to completion, The Interior Crew brings passion and precision to every project. Their designs are innovative, timeless, and tailored to client needs, making them one of the most trusted interior design companies in Dubai.

-Hammad Yousef

The Interior Crew truly understands how to transform ideas into reality. Their ability to blend functionality with modern aesthetics makes every project stand out. They deliver designs that not only look stunning but also feel effortless to live in

- Farhad khaled

Working with The Interior Crew was an exceptional experience. Their team is highly professional, detail-oriented, and dedicated to creating spaces that reflect both elegance and practicality. They set a new benchmark in interior design excellence

- Amisha Sofia

Why Choose Us

Choosing INTERIORCREW means partnering with a team that blends creativity, craftsmanship, and compliance to deliver interiors that inspire and perform. We don't just design spaces — we transform them into functional, elegant environments tailored to your lifestyle or business goals.

What Sets Us Apart

Turnkey Expertise: From concept to completion, we manage every phase of your project — design, approvals, execution, and handover — under one roof.

Local Insight, Global Vision: Headquartered in Dubai, we combine international design sensibilities with deep knowledge of UAE regulations and market trends.

Craftsmanship & Detail: Our joinery, MEP, and finishing teams are trained to deliver precision and quality that exceed expectations.

Client-Centric Approach: We prioritize transparency, timelines, and personalized service — ensuring every project reflects your vision.

Regulatory Confidence: We handle all authority approvals (DM, DDA, DCD, Trakhees) to keep your project compliant and on track.

Diverse Portfolio: From luxury villas to commercial offices and retail salons, our work spans sectors and styles — each project a testament to our versatility.
